Jim,

I received this email from Mike this am. He sent another email last week that is pages long about how I was destroying his reputation with Judge Huennukas. I never saw it until today, because he sent it to an email that I don't use. Then my daughter asked me why I wasn't responding to dads emails and I saw this and the other email when I went on that email.

Let me know how much you anticipate your total fees will be per his email below.

Mandy,

I'm sorry, I was wrong. You were right with your numbers, or close enough that it's not worth arguing about. Let me know, either directly or through the lawyers, how much in legal fees you've incurred and I'll make sure they're included. Sorry again for dragging you into this, but at least there's now a process to get you repaid.

-Mike

Mandy,

I have billed you so far for \$1,914 fees and costs. I have accrued 1.8 hours at \$300 an hour for another \$480 not yet billed, so the total as of this moment is \$2,394.

Best regards,

Jim Wilson
